REMOTE INSTRUCTION NOTICE

December 10, 2020

Families/Students/Staff:

Pendleton County Schools will remain closed tomorrow, Friday, December 11th and continuing next week, Monday, December 14th, Tuesday, December 15th, and Wednesday, December 16th. Our students will continue with remote instruction. At this time, we plan on returning to in-school instruction on Thursday, December 17, 2020. This decision is based on the continued increase of positive COVID-19 cases in Pendleton County, contact tracing, and the lack of staff to keep the schools open.

If you have questions concerning your child's remote instruction during this time, please contact your child's school.

We will continue to take appropriate action working under the guidance of the WV Department of Education (WVDE) and local health officials to protect the safety and well-being of our students and staff. Again, it will take our entire community following established COVID-19 protocol including hand washing, facial covering use, social-distancing, and proper hygiene to get our students back into a school setting.

As we continue to navigate through these difficult times, we appreciate your on-going support and commitment to the health of Pendleton County.

Sincerely,

A handwritten signature in black ink that reads 'Charles F. Hedrick'.
