

Communities In Schools

Dear BES families,

The **Communities In Schools (CIS)** program provides supportive services to all students in Pendleton County Schools. Our mission is to surround students with a community of support, empowering them to stay in school and achieve in life. Brandywine Elementary School students and families can participate in services including:

- Fun and educational assemblies
- Family events
- Tutoring and academic help
- Attendance support
- Enrichment activities and rewards
- Community partnerships
- Basic needs (food, clothing, hygiene products)

Please complete the form below and return to BES. Feel free to reach out to me by phone, email, or at school at any time. Thank you!

Sincerely,

Manda Teter
