REMOTE INSTRUCTION NOTICE

December 7, 2020

Families/Students/Staff:

Pendleton County Schools will be closed beginning Tuesday, December 8, 2020 and will be doing remote instruction. At this time, we plan on returning to in-school instruction on December 14, 2020. This decision is based on the increase of positive COVID-19 cases in Pendleton County, contact tracing, and the lack of staff to keep the schools open.

Further academic expectations and guidance will be coming from the schools and/or your child's teacher.

We will continue to take appropriate action working under the guidance of the Governor's Office, WV Department of Health and Human Resources (DHHR), WV Department of Education (WVDE) and local health officials to protect the safety and well-being of our students and staff. It will take our entire community following established COVID-19 protocol including hand washing, facial covering use, social-distancing, and proper hygiene to get our students back in a school setting.

We appreciate your on-going support and commitment to the health of Pendleton County.

Sincerely,
